**AUSTRALIAN PLANTS
SOCIETY**

Affiliated with the Australian Plants Society (Vic)

Correa reflexa Grannys Grave

WARRNAMBOOL & DISTRICT GROUP INC.

The Australian Plants Society (formally Society for Growing Australian Plants) is an Australian wide organization of people sharing their interest and knowledge in Australia's native plants.

Dedicated to preserve Australia's unique flora, we grow native plants in our own gardens, encourage their use in community areas and appreciate and conserve those still growing in their original environments.

Common Flat-pea

Platylobium obtusangulum

To join the Australian Plants Society, fill out the enclosed Subscription Form, add \$15.00 (single) or \$20.00 (family) for Local Membership and send total amount to Treasurer as indicated. The APS Victorian subs will be forwarded on for you.

To join the Australian Plants Society, fill out the enclosed Subscription Form, add \$15.00 (single) or \$20.00 (family) for Local Membership and send total amount to Treasurer as indicated. The APS Victoria subs will be forwarded on for you.

At a local level, friendly people share their interest and knowledge, display plants and have talks and demonstrations by expert speakers on a wide range of topics, conduct guided outings to gardens and bushland areas, have access to sales of plants grown by members and participation in special projects.
